2

3 MEMORIAL SERVICE FOR MEMBERS OF THE BAR

4

WHO HAVE PASSED AWAY SINCE AUGUST 2012

5

6

7

8

The Memorial Service in the above-mentioned  
matter was held on Thursday, November 21, 2013,  
commencing at 3:30 p.m., at the Old Courthouse,  
Ceremonial Courtroom Number 5, Second Floor, 400  
Washington Avenue, Towson, Maryland 21204, before The  
Honorable Kathleen Gallogly Cox and Robert A. Shocket,  
Notary Public.

Page 5

1 PROCEEDINGS  
 2 CLERK: All rise. Circuit Court and  
 3 District Court for Baltimore County now in session.  
 4 JUDGE COX: Good afternoon, everyone.  
 5 Please be seated. On behalf of myself and Judge  
 6 Williams, I wanted to just welcome everyone to the  
 7 annual memorial service that is conducted every year by  
 8 the Baltimore County Bar Association. I'm sure I speak  
 9 on behalf of all of the members of our Benches in  
 10 Baltimore County.  
 11 This is a service that we, it's a tradition  
 12 that I think we really cherish. Every year it brings  
 13 together mentors of the Bench, the Bar, the community,  
 14 family and friends to honor the memories of those who  
 15 have left us within the past year. Some we knew well,  
 16 some we didn't know as well but we learn so much about,  
 17 at the service, it helps to memorialize the  
 18 contributions they made to their communities, to the  
 19 Bar Association, to the Courts and we welcome the  
 20 opportunity to sort of think about every member, what  
 21 they gave to us. I want to thank the Bar Association

Page 6

1 for organizing this event today. It's always a  
 2 wonderful service and a wonderful ceremony. We're  
 3 going to start with an invocation by Dominick Garcia.  
 4 MR. GARCIA: Thank you, Your Honor. Let us  
 5 pray. Gracious Heavenly Father, we give you thanks and  
 6 praise for your presence in this place. We ask that  
 7 you bless the families, friends and colleagues who are  
 8 gathered here to joyfully celebrate the lives of those  
 9 members of our Bar Association whom we remember today.  
 10 We ask that Your peace, which surpasses all  
 11 understanding, guard our hearts and our minds as we  
 12 honor their memories and this we pray in Your Holy  
 13 Name. Amen.  
 14 AUDIENCE: Amen.  
 15 JUDGE COX: We will start by recognizing  
 16 Herb O'Conor, III, who is the Chair of this year's  
 17 Memorial Committee and ask him if he would lead us in  
 18 the service.  
 19 MR. O'CONOR: May it please the Court,  
 20 friends and family members of those we seek to remember  
 21 today, we meet as a community to pay respect to the

Page 7

1 lawyers and judges who applied their skill, energy and  
 2 personality for the benefit of our community. We hope  
 3 that our actions will improve our ability to serve our  
 4 clients and the Court and further the memory of those  
 5 fine men and women we seek to follow. So our first  
 6 speaker this afternoon on behalf of the Honorable  
 7 William Buchanan, Sr., will be John Nowicki.  
 8 MR. NOWICKI: Administrative Judge Cox,  
 9 members of the Circuit Court for Baltimore County,  
 10 Administrative Judge Williams and members of the  
 11 District Court for Baltimore County, distinguished  
 12 guests, family and friends, I have the honor of  
 13 speaking on behalf of Judge William R. Buchanan, Sr.,  
 14 affectionately known by everybody in Baltimore County  
 15 as Bucky or Judge Buck.  
 16 Let me start by saying, his family, wife  
 17 Ella Mae, children, Jane, Billy, John, who is here  
 18 today with his wife, Cathy, and son Clay, Mary, known  
 19 forever as Pebbles, who is here with her husband, Mick  
 20 and son, Warren, along with their spouses and other  
 21 children, Carol, the other, the final child. The

Page 8

1 extended family were the secretaries, Leah Clatterbuck,  
 2 Barbara Schuler, and the numerous law clerks that he  
 3 accumulated over the years, 16, being on the Bench.  
 4 Starting with me, then Judge John Nagle, Bob Hanley,  
 5 Pat Maher, Glen Lazzaro, Mike Radcliffe, Melissa Moyer,  
 6 Kevin Mahoney, Rick Drury, Gary Brewster and Will  
 7 Eschen.  
 8 We all just adored and admired Judge  
 9 Buchanan so much, not for his legal abilities and his  
 10 intellect but also his wit, his wisdom, his kindness  
 11 and sense of family. It was just fun being around  
 12 Judge Buck. He cared for each and every one of us. He  
 13 made you on the Buck team.  
 14 My first meeting with Judge Buchanan is a  
 15 good example. I was Judge Turnbull Senior's last law  
 16 clerk, Judge Buchanan's first. And Judge Turnbull had  
 17 indicated when he was retiring that he talked to the  
 18 Governor, Mandel, and that he strongly recommended  
 19 Judge Buchanan be appointed in his place, and, if he  
 20 was, Leah and I were to stay. Well, as you know,  
 21 replacements in the Circuit Court for Baltimore County

Page 9

1 for law clerks, they were highly coveted jobs. I was  
 2 in great fear for what I was going to do, not knowing  
 3 what was going to happen. And I came from a background  
 4 where my father owned a liquor-type bar, a restaurant,  
 5 not a legal-type bar.  
 6 So when you're at the discretion of the  
 7 Judge everything's at risk. Well, Judge Buchanan gets  
 8 the appointment. Judge Turnbull invites him over to  
 9 chambers. Judge Buchanan comes in. Judge Turnbull  
 10 says, "Come on here. I want you to meet Judge  
 11 Buchanan." Well, I stuttered and stammered and got out  
 12 of "Hello" and said, Judge, I understand, if you have  
 13 another law clerk available I'll immediately step  
 14 aside." Well, he said, "Do you want to work for me? I  
 15 said, "Well, yes, sir." He said, "Damn it, if you're  
 16 good enough for Turnbull, you're good enough for me."  
 17 That was Buck. That was his sense of making everybody  
 18 feel welcome.  
 19 Barbara Schuler reminded me of his  
 20 open-door policy. He had great respect for everybody  
 21 in the courthouse and all his colleagues, the State's

Page 10

1 attorneys, Public Defenders, private attorneys, the  
 2 people in the clerk's office. A workday was like, it  
 3 was a lot of fun. It was a controlled explosion, I  
 4 guess is a good way to put it. Ella Mae would call  
 5 either Leah or Barb and they'd say, "He's on his way."  
 6 Well, at that point, as Barbara Schuler also put it,  
 7 the law clerk, the court clerk, deputies, they were  
 8 ready to rock when Buck hit the chambers door. His  
 9 first words were always, call Paul. Paul Griffin was  
 10 the court reporter and obviously nothing happened  
 11 without Paul. Court was in session and justice was  
 12 dispensed.

13 Lunch was always at the Elks and if it  
 14 wasn't at the Elks where we talked, we learned how to  
 15 shoot pool, it was at Buck and Ella Mae's house, where  
 16 Ella Mae also fixes Buck's favorite, tuna fish. We had  
 17 a lot of tuna fish when we were law clerks there. It  
 18 got us through school at night.

19 Some background about Judge Buchanan. I've  
 20 told you about his five children and their spouses. He  
 21 has 13 grandchildren and one great grandchild, went to

Page 11

1 Mount St. Joseph High School. He served in the Army,  
 2 in Germany as a military policeman. Bachelor's degree  
 3 from what was then Loyola in 1949, the University of  
 4 Maryland law degree, 1953. He did insurance defense  
 5 work mostly for the next so many years until 1971.

6 When the District Court came into being, he  
 7 was one of the first appointees by Governor Marvin  
 8 Mandel. In 1976, Governor Mandel elevated him to the  
 9 Circuit Court, where he served for those 16 years and  
 10 retired in 1992, and he did arbitration work after  
 11 that. He always reminded Judge Nagle and me that he  
 12 was on the short list to be President of the Bar  
 13 Association. And he was always very happy that John  
 14 and I both served as was President. And he was not  
 15 able to take that position because at that time there  
 16 was a rule where judges couldn't be President of the  
 17 Bar Association. So he was happy we could do it and he  
 18 always wanted to throw it in our face, huh, John.

19 JUDGE NAGLE: Absolutely.

20 MR. NOWICKI: Some Buckyisms, at least the  
 21 ones I can say: He was the one who nicknamed "Joyce

Page 12

1 Grin", then the director of Simon Clipboard. The name  
 2 stuck. His last question for a law clerk interview was  
 3 always, "Well, do you drink?" Friday in those old days  
 4 was Let's Make a Deal Day on the criminal docket.  
 5 Everybody knew that Judge Buchanan had a place in Ocean  
 6 City and that on Fridays he wanted to be at the Bay  
 7 Bridge by noon at the latest. So everyone always felt  
 8 Judge Buchanan was very fair, both the State and the  
 9 defense, so, everybody had an early afternoon,  
 10 everybody was happy, it worked out.

11 Once Judge Nagle became my replacement as  
 12 law clerk, we began a law clerk's lunch. That is now  
 13 in its 34th year. I think we started that as soon as,  
 14 the first Christmas that John became the second law  
 15 clerk for Judge Buchanan. Buck loved it. It was  
 16 always the second Friday in December and it took place  
 17 at Baltimore Country Club. As we all know, there was a  
 18 32nd business meeting where Judge Buchanan always  
 19 wanted to pay his share. There was never a second to  
 20 the motion. If it failed, it made Buck happy again.

21 We'd have lunch -- for those of you who

Page 13

1 know Baltimore Country Club, there was a bowling alley  
 2 downstairs that contributed to our demise after lunch.  
 3 They had a bar in the bowling alley. I think it's fair  
 4 to say that Judge Nagle always thought that his  
 5 membership was going to get revoked. A couple little  
 6 examples, one time the Judge and Glen Lazzaro wanted to  
 7 try the buffet at the ladies' luncheon. They stood out  
 8 like sore thumbs. They got caught. But they did put  
 9 it on our bill, so.

10 JUDGE NAGLE: Yeah, they did.

11 MR. NOWICKI: Another time the Judge opened  
 12 the fire exit door. That caused a little bit of  
 13 ruckus, too. Afterwards, Judge Buchanan always invited  
 14 us all back to his house where again it was just so  
 15 much fun being around him, talking to him and being  
 16 with him, Ella Mae, and the kids.

17 I think we can sum it up with what Judge  
 18 Nagel said, I've said, everybody I've talked to, as I  
 19 talked to them, everybody said, "I really miss him."  
 20 We all do. And we can still eat tuna fish. Rest well,  
 21 Judge, you've earned it.

Page 14

1 (Applause)  
 2 MR. O'CONNOR: Thank you, John. The family  
 3 of Earl Delarue has suggested that we remember their  
 4 father with a moment of silence. So I would ask you  
 5 just to pause briefly, reflect upon your friendship and  
 6 others that you might hold close to you at this  
 7 particular moment.  
 8 (Moment of Silence)  
 9 MR. O'CONNOR: Next, ladies and gentlemen,  
 10 we will seek to memorialize Julian S. Brewer, Junior.  
 11 And James Brewer is here to speak on his behalf.  
 12 MR. BREWER: Honorable Judges, thank you  
 13 for having me today. Good afternoon to everyone. My  
 14 name is Jim Brewer. Julian "Sothern" Brewer, Jr. is my  
 15 uncle, born in September the 9th, 1923 in Baltimore  
 16 City, where the family lived on Ramsey Street till he  
 17 was about five years old. They then moved to Relay and  
 18 then after that to Arbutus, which would become his  
 19 lifelong residence. He attended Calvert Hall High  
 20 School and graduated about the time that World War 2  
 21 was about to break out. He joined the U.S. Navy. He

Page 15

1 would achieve the rank of Lieutenant. He would serve  
 2 as a fighter pilot on the USS Hancock, an aircraft  
 3 carrier in the Pacific, that would later be hit by a  
 4 kamikaze.  
 5 After the war, he wasn't quite certain what  
 6 to do. He became a probation officer in Baltimore City  
 7 in the Juvenile Court, which was then known, I believe,  
 8 as the Supreme Bench of Baltimore City. And through  
 9 his contacts there he was encouraged to go to law  
 10 school, which he did. And was admitted to practice, I  
 11 believe in 1957. His practice was in Arbutus. He had  
 12 become friends with some of the other attorneys there.  
 13 Eventually, he would have his own practice where he  
 14 would remain for 40 years.  
 15 During that time, he was a member of this  
 16 Bar Association. At one point, he served as the  
 17 Chairman of what was the Judicial Selection Committee  
 18 and he was the last magistrate at Halethorpe, which for  
 19 some unknown reason sat in the Arbutus Volunteer Fire  
 20 Department. It was before the District Court system  
 21 went into place.

Page 16

1 He retired in 1997. He still came to the  
 2 office almost every day in a suit and tie. Came in,  
 3 read the Daily Record, hung out for a while.  
 4 Unfortunately, for him and my aunt, he developed  
 5 Alzheimer's and it slowly would take its toll on him.  
 6 I would say that except for his wife he probably would  
 7 have enjoyed nothing better than the practice of law,  
 8 and he enjoyed every minute of it. Thank you.  
 9 (Applause)  
 10 MR. O'CONNOR: Thank you, Jim. The family  
 11 of Ed Vidali has also asked that we pay respect to  
 12 their father with a moment of silence. So if you would  
 13 join just briefly in that, I would appreciate it night.  
 14 (Moment of Silence)  
 15 MR. O'CONNOR: If I may interrupt, I'm happy  
 16 to introduce Carl Gold, who will speak for Judge Ann  
 17 Brobst.  
 18 MR. GOLD: Judge Cox, distinguished Judges,  
 19 family and friends, colleagues, falling in love with  
 20 someone that you're terrified of when you first meet  
 21 them is a highly recommended experience. Daily I still

Page 17

1 see Ann as I ride or walk by her house. I see her  
 2 standing in the tall grass on the side of her yard with  
 3 one handful of weeds, one handful of a nice solid glass  
 4 with an amber color liquid, in a pair of Rick's old  
 5 sweatpants and a Gilman T-shirt and bright red  
 6 lipstick.  
 7 I hear her Sunday mornings picking up the  
 8 beer cans from Rick's friends' parties. I hear her  
 9 thanking me when my son stops in the middle of the  
 10 street to support her when some idiot is yelling at her  
 11 because he doesn't like the way she turned into her  
 12 driveway. I smell what I think is a great big bowl of  
 13 mashed potatoes cooking on her stove for Christmas  
 14 dinner and I'm a little disappointed when it turns to  
 15 be cauliflower.  
 16 I see the gleam in her eyes when she agrees  
 17 to conspire with me to pull a prank on our neighbors at  
 18 our annual Christmas dinner. Most of all, I hear her  
 19 escorting in her car, in her convertible with the top  
 20 down her dog, Jackson, from her house, down her  
 21 driveway, down a few feet, down the street, up my

Page 18

1 driveway, so I can take Jackson for a walk. And then  
 2 the best is I remember the look she gave me every  
 3 single time when I brought him back soaking wet, muddy  
 4 and he would jump in the convertible and shake all over  
 5 her.  
 6 Ann believed that in order to understand  
 7 the paradox between perfect justice and perfect  
 8 compassion yo have start with Rule One, and that's  
 9 everybody counts or nobody counts. For Ann, Rule Two  
 10 was that everybody should be treated in the spirit of  
 11 Him, who near 2,000 years ago taught humankind that  
 12 lesson, which it's never quite learned but never  
 13 forgotten, that there may be a kingdom where the least  
 14 shall be heard and considered side-by-side with the  
 15 greatest.  
 16 Ann believed that not even a sparrow fell  
 17 to earth unheeded. She was a fierce warrior for  
 18 justice. To further paraphrase Judge Learned Hand, she  
 19 knew that justice lies in the hearts of men and women  
 20 and that no court, no constitution, no law can save it  
 21 if it leaves our hearts and our minds. Ann knew who

Page 19

1 was at the bottom of the grindstone. She spent most of  
 2 her career protecting the least among us without any  
 3 regard for her own ego or any personal gain.  
 4 I've tried to find answers when I ponder  
 5 the unfairness of someone leaving us before her time.  
 6 I've read C.S. Lewis. I've read Rabbi Kushner. I've  
 7 read the Bible. I'm pretty much convinced that we're  
 8 all dodging bullets and it's through the love of one  
 9 another that we make it as far as we can. And the  
 10 final measure of a person comes when one of those  
 11 bullets hits home. I only hope that I can meet some  
 12 measure of the bravery and stoicism that she showed.  
 13 My life is so much richer for having known her. Thank  
 14 you.  
 15 (Applause)  
 16 MR. O'CONOR: Thank you so much, Carl.  
 17 Next, ladies and gentlemen, we will hear from Rabbi  
 18 Elissa Sachs-Kohen, who will speak on behalf of Lee  
 19 Sachs.  
 20 RABBI SACHS-KOHEN: Thank you for allowing  
 21 me to speak. I'm honored to be here with you. Lee

Page 20

1 Norman Sachs was my father-in-law. He was a mensch.  
 2 He was Marjorie's husband. He was Ray's brother. He  
 3 was Missy, Jessica and Nick's father. He was Hope,  
 4 Ross, and my father-in-law. He was Josh, Allie, Manny,  
 5 Noa, Paige and Brooke's pop. He was Nancy's  
 6 ex-husband.  
 7 The man was respected as a friend, as a  
 8 colleague and in our community as a firefighter. He  
 9 was a mensch. A literally definition of a mensch is  
 10 just to say a man, a person, a human being. But to say  
 11 that a person was a mensch is to say that he was so  
 12 much more than your average human being. To say that  
 13 Lee Sachs was a mensch is to say that he was a kind,  
 14 decent, generous and moral man. To say that he was a  
 15 mensch is to say that he picked up the check no matter  
 16 how many were at the table, no matter how tight his  
 17 finances were, at some points in his life, and if you  
 18 ever tried to pay he would not only refuse, he would be  
 19 downright mean about it.  
 20 On the day that each of his grandchildren  
 21 was born Lee opened a college fund and contributed

Page 21

1 regularly to it. To say he was a mensch is to say that  
 2 Lee did what was right, what was honorable, what was  
 3 good, and he expected the same of everyone around him.  
 4 To say that he was a mensch is to say that he lived his  
 5 life seeking out ways to help others through many years  
 6 of pro bono and volunteer legal work for his family and  
 7 for the fire service, which was his great passion in  
 8 life aside from his family, and they were pretty close  
 9 to even. More times than I can count since having come  
 10 to Baltimore to be a rabbi here, someone has said to  
 11 me, oh, your father-in-law taught me to swim, saved my  
 12 life, helped me out of a situation I couldn't have  
 13 gotten out of otherwise.  
 14 To say that he was a mensch is not to  
 15 suggest that he was simple or uncomplicated. He was  
 16 enigmatic, frequently surprising and complex. Who  
 17 would expect to get into the car of this relatively  
 18 straight-laced Jewish lawyer Pikesville and find the  
 19 radio playing rap music or country or Christmas carols?  
 20 He was complex. He was an imposing figure  
 21 standing six feet, four inches. He could be commanding

Page 22

1 and demanding and tough as nails. He would not think  
 2 of taking a dollar he had not earned and he expected  
 3 the same of those who worked with him and for him. At  
 4 the weekly family dinners that he rarely missed, Lee's  
 5 usual position was at the head of the table, observing  
 6 and being encompassed by the loud, chaotic and loving  
 7 family of which he was unquestionably the patriarch.  
 8 But Lee himself was a man of few words.  
 9 When the occasion needed patriarchal words of wisdom,  
 10 he would speak them but more often than not he said  
 11 very little unless he left you a voicemail message, in  
 12 which case all bets were off and it could take hours.  
 13 Lee Sachs was a good man who was  
 14 surprisingly complex and unique. He loved the beach  
 15 but didn't go in the water. He loved going to  
 16 Linwood's or to Tark's but was just as happy to stop at  
 17 Wawa for snacks and iced tea. He was incredibly proud  
 18 of working with his son for the past 13 years and he  
 19 argued with him every day of those 13 years. Lee  
 20 attended more funerals and memorials in his life than I  
 21 have in 12 years as a rabbi. And perhaps because of

Page 23

1 that he understood how precious life is.  
 2 In the end through all of his complexity it  
 3 is easy to say who he was. He was a mensch and I am  
 4 grateful to have known him and been loved by him. His  
 5 family and his community misses him very much.  
 6 (Applause)  
 7 MR. O'CONNOR: Thank you so much, Rabbi.  
 8 Next we will listen to and learn from Judge Sandy  
 9 Williams with regard to Judge John Coolahan.  
 10 JUDGE WILLIAMS: Good afternoon, everyone.  
 11 It is an honor to be asked to pay tribute to the  
 12 Honorable John Carroll Coolahan. He was a husband, a  
 13 father, a grandfather, a great grandfather. He was a  
 14 Marine Corps sergeant, a delegate, a senator, a  
 15 colleague, a friend ally. Always with a twinkle in his  
 16 eye and a cheshire-like, cat-like smile, John Coolahan  
 17 was a man with a keen sense of family and country. He  
 18 had a work ethic that was second to none. He was a  
 19 member of what many refer to the greatest generation.  
 20 And I think everyone who knew him would agree that he  
 21 lived up to that description.

Page 24

1 With John, what you saw was what you got  
 2 and to know him was to like him. His biography was  
 3 incredible. He was a football player at Western  
 4 Maryland College, a carpenter's helper, a truck driver,  
 5 a gas station owner. He served three years in the  
 6 Maryland House of Delegates, and seven years in the  
 7 Senate. He was in the Marine Corps from 1951 to 1954  
 8 and was awarded the Purple Heart for his service. He  
 9 served as an attorney from 1967 until he became a judge  
 10 of the District Court in 1989, where he sat until 1994,  
 11 when he retired.  
 12 But of all the hats that he wore perhaps  
 13 the most cherished was that of family man. His wife of  
 14 57 years, Joanna, was the love of his life. With her  
 15 he raised five children, Bill, Mike, Jim, Danny and  
 16 Kathleen. John's red hair and six-day Senate  
 17 filibuster in an effort to defeat funding for the  
 18 subway in the 1970's earned him the nickname, "The Lion  
 19 of Halethorpe." And it stuck. He wasn't afraid to  
 20 stand up for what he believed was right. In fact, he  
 21 thought it was his obligation to do so.

Page 25

1 On the Bench, both in active status and  
 2 when he sat as a retired judge, he dispensed justice  
 3 with a swift and even hand. As soon as he finished his  
 4 cases he would always offer to help those of us who  
 5 were still going in order not only to accommodate us  
 6 but, just as importantly, if not more importantly, the  
 7 citizens who were waiting for their case to be heard.  
 8 He was fiercely proud of being a public servant.  
 9 And people really liked John, except for  
 10 the defendant who might appear in front of him charged  
 11 with drug possession or someone who was going really  
 12 fast on the Beltway. He did not like those two things.  
 13 And if you were a defendant and didn't have the money  
 14 to pay your fine that day, he would tell you, and I  
 15 quote, "You better go find someone who loves you."  
 16 He often reminded us that we were not the  
 17 Supreme Court, that ours was meatball justice.  
 18 Downtime would spent talking about Maryland politics,  
 19 and boy, did he know his politics. Thoughtfulness was  
 20 just part of his DNA.  
 21 He started two wonderful traditions. Each

Page 26

1 member of our Bench has a photograph which he framed  
 2 and hung in the Towson District Court hallway. And  
 3 each new member of the Bench receives a mug and that  
 4 mug has the State Seal of Maryland, their name and new  
 5 title of Judge, and their investiture date. It's a  
 6 special treasure to us all.

7 Today we continue that and at the bottom of  
 8 each mug we add verbiage, "Given in memory of John  
 9 Coolahan. John would be happy to know that we have  
 10 carried on those traditions. I know I speak for all  
 11 when I tell you how much we miss his dry wit, his kind  
 12 ways and his unending decency. He was a great man, a  
 13 true "Lion".

14 (Applause)

15 MR. O'CONOR: Thank you so much, Your  
 16 Honor. I am pleased next to introduce Jonathan  
 17 Goldberg, who will speak on behalf of Elliott Goldberg.

18 ELLIOTT GOLDBERG: Thank you, Judge Cox,  
 19 other members of the Bench. May it please the Court.  
 20 It is an honor for me to be able to come here today and  
 21 speak to you for a few minutes about my father, Elliott

Page 27

1 Goldberg. I'd be remiss if I didn't point out that he  
 2 graduated from City college. And he was admitted to  
 3 the Maryland Bar in 1964 after graduating from the  
 4 University of Baltimore where he worked his way through  
 5 school and went to class at night. After passing the  
 6 Bar exam he was an Assistant State's Attorney in  
 7 Baltimore City and he stayed there for several years  
 8 before entering private practice. In 1973, he opened  
 9 his own practice which he ran up until the time that he  
 10 passed away earlier this year.

11 Since about 2000 his office was here in  
 12 Baltimore County over in Pikesville. In his prime he  
 13 was active in many Bar Associations throughout the  
 14 state. My father had a general law practice, one that  
 15 is not as common today as it was when he started  
 16 practicing law.

17 And he really did love what he did. As a  
 18 child he would take me to the jail with him to  
 19 interview clients. That made quite an impression on  
 20 me. I would listen to my father discuss cases with my  
 21 uncle and my grandfather, who were also attorneys. He

Page 28

1 would take me to court and he would take me to his  
 2 office when I was younger. And when he would take me  
 3 to his office, we would have lunch -- this was down in  
 4 the Court Square Building in Baltimore City -- and  
 5 there was a whole group of other attorneys that would  
 6 sit and have lunch and they would share their war  
 7 stories with one another. And it made the practice of  
 8 law sound very glamorous and it made an incredible  
 9 impression upon me and that contributed to why I became  
 10 a lawyer as well. But through it all that I could see  
 11 or what I could see was my father's passion for his  
 12 profession and for all of his clients.

13 And while his practice included personal  
 14 injury, worker's compensation, domestic and trusts and  
 15 estates, the typical menu for solo practitioners, I  
 16 think his true love was criminal law. That's what he  
 17 did when he started practicing and on the defense side  
 18 he relished being the underdog and always liked to  
 19 point out the vast resources that were available to the  
 20 prosecution. My dad was a fierce protector of the  
 21 presumption of innocence and he was zealous in his

Page 29

1 representation of his clients and he was excellent at  
 2 making the prosecution prove their case. He was  
 3 excellent at cross-examination. And I know that  
 4 because he practiced on my sister and me when we were  
 5 younger. And he had an eye for finding holes in cases.  
 6 He had OJ's defense laid out before his own attorneys  
 7 did, and he was right.

8 And one of the last cases that he ever  
 9 tried was actually right here in Towson. It was an  
 10 attempted murder case. And he was really excited about  
 11 trying that case and, as always, he was fully prepared  
 12 and he won the case. And I don't think that I'd ever  
 13 seen him happier after winning a case.

14 And amazingly, maybe the last case he ever  
 15 tried went up on appeal. He won at the trial level and  
 16 it went you were on appeal and my dad wrote the brief  
 17 for the appeal. He passed away before the argument,  
 18 another lawyer argued it, but he won the case.

19 My dad and I never practiced together but  
 20 we did have the opportunity to try one case together  
 21 and I'm happy to say that we are undefeated as a team.

Page 30

1 And I will always cherish and remember that case.  
 2 My dad was very loyal to his family, which  
 3 included just about anybody who came into contact with  
 4 him. He had clients that he represented for 30 years  
 5 or more. He represented several generations of  
 6 families. And I've spoken to some of them since my dad  
 7 passed away and they were all very upset about what had  
 8 happened and they all said what a good person he was.  
 9 And they were right. To my dad no client was ever  
 10 unimportant, no matter was ever too small and his  
 11 loyalty was shown in all aspects of his life as he and  
 12 my mother were married almost 50 years. His family,  
 13 which included my mother, my wife Michelle, my son  
 14 Jordan, my sister Kathy, her husband Ryan and their  
 15 daughter Addison, who are all here today, meant  
 16 everything to him. His office wife, Kathy Koslin, who  
 17 is also here today, was with him for over 30 years.  
 18 And Kathy is now working with my firm. Every time I  
 19 see her it makes me think and it gives me comfort that  
 20 my dad is still here.  
 21 My dad was a true professional and a

Page 31

1 gentleman. He practiced law with honor, honesty and  
 2 dignity. He never cut corners. He treated his  
 3 adversaries with class and respect. And I am proud to  
 4 walk in his footsteps as lawyer and I hope that I am  
 5 able to live up to the standard that he set. Thank  
 6 you.  
 7 (Applause)  
 8 MR. O'CONNOR: Thank you so much. Next we  
 9 will hear from Larry Strauss, who will speak to us on  
 10 behalf of Michael Rinn.  
 11 MR. STRAUSS: Your Honors, thank you very  
 12 much. It's an honor for me to be able to come up and  
 13 speak to you about Michael Rinn. I've known, I knew  
 14 Michael for about 14 years. I know it was 14 years  
 15 because I remember when he first called my house, or my  
 16 office. I was actually in the hospital. I heard a  
 17 message. I was looking at my twins. I said, "Boy, how  
 18 am I ever going to afford them?" And Michael was an  
 19 angel. He called up. He wanted to start using me as  
 20 an accountant. And, you know, and that relationship  
 21 lasted for 14 and a half years. The period I really

Page 32

1 knew him, it was probably just a very small portion of  
 2 his life. And I'm really honored to be the one to tell  
 3 you about him. I'll do the best I can here.  
 4 Michael was a bankruptcy trustee. And  
 5 that's where everyone knew him. He was famous in the  
 6 Bankruptcy Bar. Everyone knew him. Everyone loved  
 7 him. They felt he was very fair, sensitive. He was  
 8 understanding. When he passed away the Bankruptcy Bar  
 9 Listserv exploded with outpour of loss.  
 10 I would just like to add a couple of the  
 11 blurbs that some of his colleagues, other trustees and  
 12 some, a couple lawyers have spoken. One lawyer said,  
 13 "I recall several 341 meetings where Mike would  
 14 complete a meeting and then ask the debtors who were  
 15 waiting, who wants to lie to me next? I know that my  
 16 clients always appreciated his sense of humor during a  
 17 stressful time. Personally, I'm grateful for the many  
 18 times that Mike patiently answered my questions. His  
 19 wit and wisdom will be missed."  
 20 Another trustee had said, "Mike was special  
 21 to me as a fellow trustee. He had his own unique

Page 33

1 insight into the workings of the job. He could find  
 2 assets no one else could. Judging by the other  
 3 responses from Listserv, he was able to do this in a  
 4 professional and respectful way, which is the essence  
 5 of how a trustee should act. Well, I saw it this way,  
 6 I was biased often, although not always, being on the  
 7 same side as he was but it is a testament to Mike's  
 8 humanity which has not left us, that many on this list  
 9 remember him with fondness and respect. This is not a  
 10 surprise either."  
 11 And one other attorney wrote, "Mike was a  
 12 true gentleman and a pleasure to deal with. Mike and I  
 13 had a number of battles over the years where he was  
 14 attempting to assert his strong-arm powers as a  
 15 trustee. The battles were always congenial, friendly  
 16 and gentlemanly. Mike in one case even went as far as  
 17 directing me to caselaw that I could use against him.  
 18 We always managed to find a way to settle our cases but  
 19 even when we disagreed, Mike was always professional  
 20 and a true gentleman."  
 21 Everyone loved him. There's so many

Page 34

1 stories with me and him going to some old couple in the  
 2 restaurant or help them, this couple that was having  
 3 financial problems. He always looked for the underdog.  
 4 He was always looked for the little guy. He gave  
 5 people chances to shine. He just loved life. I  
 6 remember going to his office all the time. He had two  
 7 big dogs in the office. Like no one has ever seen such  
 8 a thing. You know, you come in and they attack you. I  
 9 mean he's easygoing. He was unbelievable. They don't  
 10 make many like him. And, you know, he gave me a chance  
 11 and as he did for many people. He was very special and  
 12 he's going to really be missed. And thank you. He's  
 13 got, right now here today there's, his wife here with  
 14 his sisters and with his daughter and the fact they all  
 15 came, you know, they loved him and we all did. And  
 16 thank you.  
 17 (Applause)  
 18 MR. O'CONNOR: Thank you so much, Larry.  
 19 That was excellent. Next we will remember Robert  
 20 Bowie, Sr. And Al Brault will speak on his behalf.  
 21 MR. BRAULT: Thank you, Your Honors.

Page 35

1 Learned members of the judiciary, I'm Al Brault. I'm  
 2 from Montgomery County. I have the honor to speak on  
 3 behalf of Professor Bowie but I speak on behalf of him  
 4 as a member of the Rules Committee and for all who had  
 5 the pleasure and honor to serve with him on that  
 6 committee. I often think if people think of the Rules  
 7 Committee rather than people like me, they'll think of  
 8 people like Bob Bowie.  
 9 I recently completed reading in the  
 10 Maryland Historical Society Journal a history of the  
 11 development of law in Maryland, listing the great  
 12 judges, the great lawyers, and what they did for our  
 13 State. Today I wish to add another name to the list of  
 14 Maryland's greatest lawyers.  
 15 Professor Bowie was from Baltimore. He  
 16 graduated from Gilman school, Princeton University and  
 17 in 1934, Harvard Law School. Following graduation he  
 18 practiced law with his father's firm in Baltimore and  
 19 also as an Assistant Attorney General until 1942. Then  
 20 he joined the United States Army with the rank of  
 21 Captain and immediately served in the War Department as

Page 36

1 Deputy to General Lucius Clay.  
 2 From 1946 to 1955, he taught corporate and  
 3 antitrust law at Harvard Law School but during that  
 4 time he took leaves of absence and served as General  
 5 Counsel and Special Advisor to the United States High  
 6 Commissioner for Germany, Mr. John McCloy. And from  
 7 1953 to 1957, he was Director of Policy, Planning and  
 8 Assistant Secretary of State under John Foster Dulles.  
 9 In this latter role he was a key figure  
 10 in forging the United States foreign policy throughout  
 11 the Cold War. The magnitude of his service in Germany  
 12 is best exemplified when on his 100th birthday the  
 13 Federal Republic of Germany presented him with the  
 14 Commander's Cross of the Order of Merit, citing his  
 15 work in post-war integration in Franco-German  
 16 reconciliation, European integration and the  
 17 unification of Germany.  
 18 Among other distinguished contributions,  
 19 while at Harvard he founded the Weatherhead Center for  
 20 International Affairs. He presided over a  
 21 distinguished group of scholars including, among

Page 37

1 others, Henry Kissinger. He was a member of the  
 2 Trilateral Commission formed in 1973 by citizens of  
 3 Europe, North America and Japan to foster closer  
 4 cooperation among industrialized nations. He was  
 5 Harvard's Dillon Professor of International Affairs  
 6 until retiring in 1980. In addition, I have to mention  
 7 one of his students at Harvard was Mel Sykes. After  
 8 that he then returned to Washington, D.C., and acted as  
 9 Deputy Director for National Intelligence at the  
 10 Central Intelligence Agency.  
 11 Among other things he found time to author  
 12 books, including Studies in Federalism, Arms Control  
 13 and the United States Foreign Policy, Sharing the  
 14 Future Foreign Policy in an Age of Transition, Suez in  
 15 1956 and Waging Peace, How Eisenhower Shaped an  
 16 Enduring Cold Water Strategy.  
 17 During interruptions in his tenure at  
 18 Harvard, Professor Bowie served several years with our  
 19 Rules Committee. I had the great privilege to attend  
 20 many sittings with Professor Bowie. Suffice it to say  
 21 that we all as members contributed thoughts and

Page 38

1 concepts regarding our rules and how they should be  
 2 adopted but when Professor Bowie spoke it carried with  
 3 it an intellectual component that was amazing. Anyone  
 4 in the room would stop and listen intently and usually  
 5 be guided by what Professor Bowie recommended.  
 6 Notwithstanding his many accomplishments in  
 7 life, he was a modest man in his manner and however  
 8 firm in his convictions, he always acted a gentleman.  
 9 He was the antithesis of someone who would ever brag  
 10 about accomplishments.  
 11 Indeed, I do not think that any of us on  
 12 the Rules Committee knew at the time we served with him  
 13 the background of this man. My understanding from Bob  
 14 Bowie, Jr., is that his father truly loved this work on  
 15 our Rules Committee. He hosted meetings of the  
 16 Committee at his beautiful home on the Tred Avon River.  
 17 As an example, I can tell you that the entire chapter  
 18 of probate rules were finalized in one sitting on the  
 19 lawn overlooking the river.  
 20 Professor Bowie exemplified the concept  
 21 that democracy, justice under law and a free economy

Page 39

1 begin with governments at the highest level but are  
 2 enforced and protected by lawyers and judges at the  
 3 local level. I commend to the history of Maryland one  
 4 of the truly greatest lawyers our profession has ever  
 5 had.  
 6 (Applause)  
 7 JUDGE COX: Responding on behalf of the  
 8 Benches of Baltimore County is my colleague, Vicki  
 9 Ballou-Watts.  
 10 JUDGE BALLOU-WATTS: Thank you.  
 11 Administrative Judge Cox, Administrative Judge  
 12 Williams, members of the Bench, family, friends and  
 13 colleagues of those whose loss we mourn today, I am  
 14 honored to speak on behalf of the Bench for this  
 15 memorial and recognition service. So many have joined  
 16 us today and we give special thanks to family and  
 17 friends for their participation. We also want to  
 18 acknowledge the work of the Bar Association, its staff  
 19 and in particular the members of the Memorial Committee  
 20 for their preparation of this very important program.  
 21 Death can be sudden and unexpected; yet,

Page 40

1 even when the loss is anticipated we're still often  
 2 unprepared for its finality. Many of us had the  
 3 privilege of serving with Judge Ann Brobst.  
 4 Intelligence and wit were just two of her wonderful  
 5 qualities. Last year when she became ill, we knew the  
 6 prognosis but for many when she passed away, the black  
 7 crepe across the entrance to her chambers still came as  
 8 a tremendous shock.  
 9 Today we mourn the loss of Judges Buchanan,  
 10 Coolahan and Brobst as well as attorneys Delarue,  
 11 Brewer, Vidali, Sachs, Goldberg, Rinn and Bowie. It is  
 12 only fitting that we celebrate their lives and  
 13 contributions. They will be loved by family and  
 14 friends. They were accomplished role models. They  
 15 gave of their time and talent in serving the legal  
 16 profession with excellence and zeal. We are grateful  
 17 for their service and they will continue to be on our  
 18 hearts and in our thoughts. Gone, yes, but never  
 19 forgotten. Thank you.  
 20 (Applause)  
 21 MR. O'CONNOR: Thank you so much, Your

Page 41

1 Honor. On behalf of the Baltimore County Bar  
 2 Association, I ask the Court to accept the minutes to  
 3 be prepared by this fine court reporter and be adopted  
 4 as part of the official records of this County. And my  
 5 last step would be to ask our President to give us some  
 6 remarks this afternoon. Thank you all so much. Philip  
 7 Tirabassi.  
 8 JUDGE TIRABASSI: If it pleases the Court,  
 9 Administrative Judge Cox, Administrative Judge  
 10 Williams, distinguished members of the Circuit Bench,  
 11 my colleagues on the District Bench, retired judges,  
 12 members of the Baltimore County Bar Association, family  
 13 and friends of our diseased brothers and sisters at the  
 14 Bar, I want to express my sincerest gratitude to my  
 15 friend, Herb O'Connor and all the members of the  
 16 Memorial and Recognition Committee for putting on this  
 17 yearly event. This actually separates us and takes us  
 18 apart from each and every Bar Association across the  
 19 State. I would be remiss if I didn't thank Ann Marie  
 20 Cordial, judicial assistant to Masters Dawson and Brown  
 21 for our musical interlude.

1 J.K. Rowling in Harry Potter's, the  
 2 Sorcerer's Stone, wrote, "To the well-organized mind  
 3 death is but the next great adventure." Our deceased  
 4 members have left us, but they have left us with the  
 5 spirit to carry on. They have instilled in our hearts  
 6 their sheer determination, their drive, their will, to  
 7 exemplify the best this world has to offer.

8 As we celebrate sadly the death of John  
 9 Fitzgerald Kennedy, I reflect back when JFK, in quoting  
 10 Luke, Chapter 12, Verse 48, "To those who much is  
 11 given, much is expected." Each and every member that  
 12 we honor here today was given much. What they did with  
 13 these God-given talents was to strive to be the best  
 14 that they could be or the best they could expect of  
 15 themselves but, more importantly, they were what we  
 16 expected of them.

17 Death is not prejudiced. It has no qualms  
 18 about taking our loved ones, whether they be young or  
 19 old, male or female, rich or poor. Death, though,  
 20 creates the most vivid memories. It makes the memories  
 21 more clear, brighter in the most beautiful hues. The

1 recent death does this as much as Mitch Albom writes in  
 2 Tuesdays with Morrie, is that it ends in life but it  
 3 begins a new relationship. We grow deeper in love with  
 4 our departed ones because we finally realize what a  
 5 mark they have made on our lives and continue to do so  
 6 despite their passing. And I ask you to embrace this  
 7 new relationship and watch it grow. We honor our  
 8 members that have left us today as they have honored us  
 9 while they were on earth.

10 Most respectfully, Judge Cox, and with the  
 11 utmost dignity, I move that this Honorable Court  
 12 adjourn these proceedings. Thank you.

13 VOICE: Second.  
 14 (Applause)

15 JUDGE COX: Thank you, Judge Tirabassi, and  
 16 thank you all for joining us here this afternoon. And  
 17 with that we will stand adjourned.  
 18 (Proceedings adjourned at 4:24 p.m.)  
 19  
 20  
 21

1 State of Maryland  
 2 Baltimore County, to wit:  
 3 I, ROBERT A. SHOCKET, a Notary Public of  
 4 the State of Maryland, County of Baltimore, do hereby  
 5 certify that the within-named proceedings personally  
 6 took place before me at the time and place herein set  
 7 out.

8 I further certify that the proceedings were  
 9 recorded stenographically by me and this transcript is  
 10 a true record of the proceedings.

11 I further certify that I am not of counsel  
 12 to any of the parties, nor in any way interested in the  
 13 outcome of this action.

14 As witness my hand this 5th day of  
 15 December, 2013.
